

## **SOME POINTS TO NOTE:**

**Critical thinking is not an end in itself, it is a means to an end.**

**Students who use critical thinking are those who ask a lot of good questions.**

**Critical thinking is useless if it does not lead to solving real-life problems.**

**Good critical thinking leads to innovations and inventions.**

**People who usually succeed at solving problems of the world are those who are also passionate about the problems they choose to solve.**

**Critical thinking without wisdom would turn the world into a place of evil.**
